Background

The Authority is organized under P.L. 1957 C.183 of the laws of the State of New Jersey (the Act). The Act grants power to every municipality of the State by means and through agency of a municipal utilities authority to acquire, construct, maintain, operate or improve works for the accumulation, supply or distribution of potable water and works for the collection treatment, purification or disposal of sewage or other wastes. A seven-member board governs the Authority. The Pine Hill Borough Council appoints members of the Board for five-year terms on a staggered basis. The members of the Board oversee the Authority's operations.

The Authority operates and maintains a sewage collection system within the municipal boundaries of the Borough of Pine Hill. The sewerage is then passed on to the Camden County Municipal Utilities Authority (CCMUA) system. The CCMUA in turn is responsible for the treatment of all waste materials.

The Authority bills and collects for its services from all customers and is entitled to a connection fee for new hook-ups.
